

LIMESTONE GALLERY

The Inscribe Range

With the resurgence of texture and detail in design, Limestone Gallery introduce the Inscribe range of wall panelling.

This bespoke service is available in the designs displayed or to a clients own commission. The service can provide a small detail or a whole tableau. It can be further embellished by gilding in a range of metals.

Whatever your stone requirements, it is worth contacting us. We are specialist importers of stone for flooring and bespoke stonework of all kinds. Visit our London showroom and appreciate at first hand the full character of our stone collection.
